# WHY?

(THE REAL QUESTION IS, WHY NOT?)

WE WANT TO FOSTER A SPIRIT OF ENTREPRENEURSHIP AND THE LOVE OF TECHNOLOGY IN FREMONT AND THE SURROUNDING AREAS.

WE WANT A YOUNGER GENERATION TO GET EXCITED AND LEARN ABOUT THE ENTREPRENEURIAL LIFE STYLE . WHAT BETTER WAY THAN TO LET THEM START THEIR OWN BUSINESS?

WE WANT TO BREAK DOWN THE STEREOTYPE THAT THE MIDWEST ISNT INVOLVED IN CUTTING EDGE TECHNOLOGY. TEACHING A YOUNGER GENERATION TO PROGRAM AND CODE IS A SMALL STEP TOWARD THAT GOAL.

WE WANT TO CREATE A COMMUNITY OF TECH LOVERS IN FREMONT. FUN EVENTS LIKE A HACKATHON GO A LONG WAY TOWARD CREATING THAT ENVIRONMENT.
